LEADERSHIP CHANGES

Enprise Group Limited (NZX:ENS) advises that it has restructured its leadership team with immediate effect.

The board confirms that Ronnie Baskind, currently CEO of wholly owned subsidiary Kilimanjaro Ltd, has been appointed as Group Managing Director for EGL.

Elliot Cooper, current CEO of Enprise Group has been appointed Group Director of Finance.

The changes come as a result of completing the integration between Kilimanjaro and Enprise Solutions operations.

Ronnie has extensive experience in the business, founding Kilimanjaro in 2006 and overseeing its integration with EGL in 2020 to become the largest MYOB partner in Australasia.

Elliot is co-founder of Enprise Group and has previously held senior roles within the business including CFO.

Both Ronnie and Elliot remain on the EGL Board of Directors following this change.

About Enprise Group

Listed on the New Zealand Stock Exchange on 1 December 2014, Enprise Group (ENS) is an investment vehicle for high-growth tech companies that complement its core ERP capability. Enprise Group is invested in four businesses – the wholly owned Kilimanjaro Consulting, subsidiary iSell, joint venture Datagate Innovation and a holding in Vadacom.

Kilimanjaro is a cloud business software company that is the leading trans-Tasman provider of solutions based on the MYOB EXO and MYOB Advanced software platforms. Kilimanjaro Consulting offers cloud options for every piece of software it sells, including a broad range of companion products to extend the power of the MYOB Advanced and MYOB EXO platforms. The company supports around 1,270 MYOB EXO and MYOB Advanced customers across Australia and New Zealand.

iSell is a primary provider of business systems to the IT Reseller market. iSell databases contain over 4.5 million products representing more than 2000 vendors available from 100+ distributors. The products are sent automatically to hundreds of IT Resellers daily, across Australia, New Zealand & UK.

Datagate Innovation is a cloud telecom billing solution. The Datagate online billing portal enables Managed Service Providers to rate and bill telecommunications services, with optional US Tax and leading software integrations. Datagate rates and bills unified communications, VoIP, tolls, cellular, data plans and other use-based and subscription services.

Vadacom specialises in phone system software development and unified communications solutions for Australian and New Zealand businesses.
